"THE DARK KNIGHT," a sequel

to Christopher Nolan's "Batman Begins," shattered box office records with its July release. In just 10 days, the superhero thriller brought in more than \$300 million at the box office, eclipsing the mark held by "Dead Man's Chest" by nearly a week. Filmed in Chicago, the movie's special effects, musical scores and viral marketing added to its allure and mystique. "The Dark Knight" was nominated for eight Academy Awards, including a posthumous nod for Heath Ledger (for Best Supporting Actor as the Joker). Attempting to enhance its Oscar-winning chances and to surpass \$1 billion in worldwide gross, the film was re-released on Jan. 23, 2009.

meant national pride, athletic competition, pageantry and more. More than 10,000 athletes competed in 300-plus events in 28 sports at 31 competitive venues, many of which had been constructed specifically for the Olympics. An estimated 6.8 million tickets were sold for the various competitions, and the Beijing Olympics was officially the most-watched television event of all time.
